ABOUT ADCONION

Adconion Media Group is the largest, privately held independent global ad network and intend to position Adconion next to Google and Yahoo! Dedicated to true partnerships with agencies and marketers, Adconion arms agencies with customized technology and products designed in-house while delivering massive global reach across multiple platforms through a single network. The company provides innovative products and high ROI for advertisers and competitive revenues for publishers. Adconion reaches nearly 300 million unique users worldwide; 1/3 of the total global Internet population. In the U.S. Adconion grew faster than any other network – 62.3% – in the year ending November 2008, according to comScore Media Metrix. Adconion is also an international leader in evolving the ad network model to create, distribute and monetize video content via its video syndication product, AdconionTV, and branded content development and distribution arm, wholly-owned subsidiary RedLever (www.red-lever.com).

The holding company is a UK company with corporate offices in the UK, Germany and the US. We have sales and media offices around the globe including Germany, France, Spain, Canada, the UK, the US, and Australia with more coming soon. In February 2008, Adconion completed a record US\$ 80 million of funding, and acquired Frontline Direct, a US based email and database marketing specialist. We won the Investor AllStars award for 2008 “Deal Envy of the Year” in addition to being named to the Library House list of the hottest 100 private mediatech companies in Europe.
